To

Sir,

Sub: Portable Postal counter - Accommodation - Providing of in the premises of the District Court -Rent - Levying of.

Ref: Letter No.3402 M dated 22-12-1953 from the Executive Engineer, Public Works Department, South Kanara Division, Mangalore.

A portable postal counter has been working in one of the rooms in thi Court from 11 a.m. to 4 p.m. on all working days since 12-8-1951 and no rent is being collected from the Postal Department in that behalf. The room is not actually in the occupation of the Postal department. A clerk with a portable postal counter comes at 11 a.m. and works till 4 p.m. and then he goes back to the Post Office with the counter. The working of the counter has been of great use for the Civil Courts. No rent is being collected in view of the fact that it is only a portable counter working for 5 hours a day.

2. There is also a proposal to open an Extra Departmental Sub Office at the premises of the District Munsif's Court, Udipi. I have requested the Executive Engineer to fix the rent for the premises and intimate it to the Superintendent of Post Offices, Mangalore.

3. The Executive Engineer in the above reference points out that ever change in the occupation of Government buildings should have Government approval.

4. I am therefore submitting this report for necessary orders.

Yours faithfully,

P.T.Raman Nayar

District Judge.
